

Feel your best and
save money year round!

With memberships tailored for hair and spa services, there's a membership option that's right for anyone.

All memberships are an annual program, billed monthly, with the option to save even more money with a one-time purchase at the start. Membership enrollment periods open periodically throughout the year, so make sure that you are a part of our mailing list to receive announcements on enrollment dates or visit our website.

Memberships are based on our Imi ola pricing level. Additional charges will apply if seeing Ikaika or Po'okela providers. Contact our Kāko'o to learn more and discover how you can become a member.
